

CPCS A63 Pedestrian Operated Tower Crane Course

Changes to the CPCS A63 Pedestrian Crane Category

During 2016 industry-led working groups reviewed the CPCS A04 Tower Crane category and during this review process it was decided that the CPCS A63 Pedestrian Operated Tower Crane category would be incorporated into the A04 Tower Crane category.

Therefore, as of the 25th of November 2016 the A63 Pedestrian Operated Tower Crane category and its endorsements will be retired from the CPCS Scheme.

This course has been replaced with the CPCS A04c Tower Crane Course. We are available to offer this course to you.

Please don't hesitate to get in touch for help or advice.
